I will not order again....

October 1, 2014

Verified Purchase

These really are great pretzels however the bag we received was in terrible condition, the shipping box was fine.

I inspected the bag to make certain it didn't have any pinholes, (it was in THAT bad of shape) thankfully it didn't. They taste OK, just in little bitty pieces. In the entire bag, there is about 6 whole pretzels.

I won't order these from here again, overpriced for a crumpled up bag.

I will stock up when we go to Sams club, they don't carry this brand anymore but I'll switch to whatever they have.

Great value but shipping doesn't do these crisps any favors

January 30, 2014

Verified Purchase

I bought these Pretzel Crisps because I knew that my mom loved the seasonal dark chocolate and peppermint covered crisps that appear in local drug stores in 1 oz bags for exorbitant prices. I decided to make her some homemade chocolate covered pretzels and bought this big bag to make it happen.

I obviously didn't need 26 oz. of pretzels to fix up these decadent snacks, but having read other reviews I figured getting a big bag would ensure the most intact pretzels. As I sorted out the bag, I'd guess that about half of the bag had 50% or better intact pretzels which I deemed good enough for my purpose. The rest I ate myself, which were quite delicious and didn't suffer too much from their reduced size.

If you're picky about having fully intact pretzels, this probably won't be for you. For my purposes and my personal enjoyment, this fit the bill.

Pretzel Crisp lives matter - Treat the customer properly!

September 1, 2015

Tasty, Tasty, Tasty. However, one will either agree or not. Like everything else, tastes will differ. However

those reviewers that claim their bags were full of broken pieces are not kidding. This is customer abuse and not only customer abuse but deliberate customer abuse.

75% of the chips were crushed. What a letdown !!!

September 15, 2016

Half of the chips were crushed. When I first opened the bag, I was impressed because it appeared they mostly arrived in good shape, but after a few minutes, all that was left was 75% mangled Pretzel Crisps. What a disappointment.

What if ritz did this

November 6, 2015

Verified Purchase

I get it you want to be a pretzel n you want to be a cracker and they are great little treats but the problem is there's so many broken ones especially in this large package I'm no longer allowed to eat them in the house.

If you want to call yourself a cracker put these things in the sleeve like ritz because it's kind a hard to put the topping on a quarter-inch scrap of a pretzel which is 30% of the bag and I've bought a few just to be sure'

Ingredients

Original or Gluten Free Original Snack Factory Pretzel Crisps.

Shredded Cheese, Corn, Black Beans.

Sliced vegetables (onions and bell peppers).

Optional: Chicken or steak, cooked & sliced into strips.

- Saute vegetables in a pan on medium heat, season with salt and pepper. Add meat, if desired, to reheat.
- Construct quesadilla by forming Crisps into a round circle on an aluminum foil-lined baking sheet. Cover with cheese, then add other ingredients.
- Top with more cheese, then place Crisps in a circle on top. A layer of cheese on bottom and top is essential to keeping everything together as a quesadilla.
- Bake at 400 degrees for 10-15 mins, until cheese is melted. Remove from oven and cool for a few minutes for quesadilla to stick together. Slice with a sharp, large knife and serve.

Great For Kid Lunches

March 19, 2017

Flavor: Original Size: Pack of 24 **Verified Purchase**

Great for kid lunches. Packaging was perfect, factory type boxing. The prices per unit were better than Sams Club, Kroger, and Publix. I will be ordering again in the near future. Best part.... shows up at the doorstep and you don't have to carry oversize stuff thru store.

I bought a case of these for less than \$10 and they came directly from Amazon. They came and weren't all totally smashed and didn't expire for a year. So I went ahead and bought 3 more cases because we love them in my house and they're perfect for on the go, plus super cheap at that price and can't find this size bag in stores.

Delicious snack, questionable shipping

September 8, 2018

Flavor: Buffalo Wing Size: Pack of 24 **Verified Purchase**

Despite how high in sodium these are, I can't help but love the buffalo flavor!! However I was very disappointed in my latest delivery. The box was partially open and a few of the bags were missing - should have been 24 ct and only 21 individual size bags were in the box. Not an issue with the product itself but would appreciate if the box was taped up and secured much better.

Pretzel Crisps are perfect!

I buy the Pretzel Crisps often, because they make a nice snack and just a few will satisfy my appetite. Some pretzels are too salty for my taste buds, but these have a nice flavor without being overwhelmingly salty. I also like the texture--not so thick that they seem like taking a bite of a doughy pretzel.

One of my favorite crackers

These are so light and tasty! Really good w/ specialty cheeses, Havarti, goat cheese...etc. I got these for someone w/ green apples & cheese as a gift due to their loved one being in the hospital. Thought they could use something to snack on while there. They loved all of it and wanted to know where I got them. Actually another grocery, but Walmart is where I originally got them. You won't be disappointed.
